## **XCA - X Crypto Accelerator**

*GROW YOUR BUSINESS STEP BY STEP WITH XCA*

XCA Expert is a service provider for those who want to design and develop their projects through the blockchain world.

XCA's goal is that to helps new projects to enter the world of blockchain and provide the prerequisites for blockchain.

As an accelerator of crypto projects, we provide various services to our customers:

- Token Creation
- Web Designing
- Social Media Booster
- Coin Listing Application

You can simply join XCA and use our wide range of services and implement your project to enter the blockchain world by using XCA's tools. All payments are made through the Crypto Payment Dapp (P2P).

## XCA COIN

In addition to the services that we have provided for our users, in order to facilitate the use of services and to continue the development of the project, we have created our native token called \$XCA, which you can use it to use the site's services, take advantage of its benefits and features which we mention below:

1. Get 20% Discount on Services
2. Staking Program
3. Airdrop Events
4. More profits from referral commissions
